Version 3.06: Fixes and improvements

1. Exporting claim now copies export file to A: drive after creating it on hard disk
2. Added "Period Type" in "Open Statement Period" window
3. Printing of all children's usage statement
 - a. total fee column now print corrects value (previously printed \$0.00)
 - b. totals for total fee column also now prints a value (previously printed \$0.00)
 - c. rename the column letters to match heading in Centrelink forms (i.e. dropped Column I)
